Boldness in Business Conference

25/07/2014

We are delighted to invite you to Cranfield Capstone Conference on Friday 25 July 2014, at the America Square Conference Centre, London. The title of this conference will be "Boldness in Business". What does "Boldness in Business" mean to our Business leaders?

Cranfield University School of Management is bringing together business leaders from across sectors and industries to debate and discuss what Boldness in Business means for them as a leader and for their company and industry.

Does Boldness in Business mean changing the rules? Disrupting the system? Leading from the front or sticking to what you do best? Our business leaders will encourage debate and thought on what "Boldness in Business" means for you and your business career.

The day will include a range of high profile keynote speakers and panels who will provide practical advice and insight into the business challenges that leaders face today and also their reflections on future challenges and opportunities that businesses face in the future.

Key Speakers:

- Andy Baker (President, G4S Africa)
- Stuart Watson (EOY UK Managing Director, Ernst & Young)
- Kristo Kaarmann (Co-Founder, TransferWise)
- Martin Rigby (CEO, pSonar)
- Lopa Patel MBE FCIM FIDM FRSA (Founder & CEO - [Redhotcurry.com](#))
- Jonathan Wagstaffe (Managing Director of Project Vision)
